

NGUYEN PHUC LOC (Mr.)

User Acquisition | Growth Marketing

+084 988 766 406 | nploc.work@gmail.com | [Linkedin](#) | Portfolio

PROFESSIONAL SUMMARY

“User Acquisition practitioner with hands-on experience in full-funnel paid campaigns, lead tracking, and AI-powered customer insight automation. Strong at optimizing acquisition funnels, A/B testing creatives, and turning campaign data into actionable growth decisions. Eager to apply AI, data-driven thinking, and a fast-learning mindset to scale mobile game products on global ad networks.”

WORK EXPERIENCE

KAROFI HOLDING | Product Intern → Brand Executive

Jan 2026 - Present

Industry: Home Appliances

- Analyzed user behavior data and competitor insights to support product positioning and campaign planning decisions.
- Built 2 AI-powered workflows for Customer Intelligence project, automating the collection and sentiment classification of customer comments/reviews from Facebook & Dien May Xanh (e-commerce platform)
- These workflows reduced manual insight synthesis time by 80%, turning a 5–7 day manual research process into an automated insight pipeline for faster Brand/Product decision-making.

AZWAY TRAVEL | Growth Marketing Staff (Freelance)

March 2026 - Present

Industry: Hospitality

- Managed acquisition-to-order travel growth campaigns across Meta Ads lead generation, landing page optimization, lead qualification, and closed-order tracking.
- Executed Meta Ads lead campaigns, achieving 3.55% CTR (benchmark >2%) and converting 139 leads → 108 qualified leads → 9 closed orders, reaching 6.47% lead-to-order CVR (benchmark 3%–7%)
- Produced multi-format creative assets (1:1, 3:4, 9:16) and landing pages via Ladipage to test campaign angles, tour packages, and customer intent across travel segments.

UPBASE JSC | Digital Marketing B2B Executive

Jul 2025 - Dec 2025

Industry: SaaS

- Managed end-to-end paid acquisition funnel to acquire and nurture B2B users for Lark (ByteDance) – from ad creative production and landing page optimization to lead qualification and conversion tracking.
- Exceeded Opportunity KPIs by 17–60% for 3 months.
- Achieved Cost/Opportunity: 300–400K (benchmark <600K), CVR Opportunity/Lead: 11%–37% (benchmark 10–15%); CVR Demo/Opportunity: 12–38% (benchmark 9–17%)
- Participated in cross-functional alignment with Tech, Product Owner, Business Development, and Customer Success teams to support product communication, translating user questions and sales feedback into content angles and landing page improvements.

ACADEMIC RECORD

NATIONAL ECONOMICS UNIVERSITY (NEU) | Bachelor of Digital Marketing

Aug 2022 - Aug 2026

- GPA: 3.77/4.0 | 8.8/10 – Top 5%
- Ranked 1st in major with Excellence Academic Scholarship 2022–2023
- Student with Five Good Criteria 2023–2024, University-level
